Student feedback

Student Feedback needs to be
Timely -
Specific- what is wrong and how to improve
Targeted ...
Tied to criteria
Decontextualise

Why flip your feedback?
Time....apparently as we get better it actually takes less time
Video for an audience of 1
Students engage in the process and take on board the info.

How would you go about flipping feedback?
See step by step guide Flipped feedback on lib guide
- Use the document camera - Ziggi HD - computer alliance $150
- Download screen-cast-o-matic to screen
- Webcam viewer is an app to capture your face as well as the document you are marking
- Document is Under the Ziggi that is connected to laptop
- Screencast is over the screen recording
