TEACHING & LEARNING AT A DISTANCE WITH EP
Video Support Guide

Getting Started

EP FOR SCHOOL - INTRODUCTION
This video is a walkthrough of the main features of the EP platform. You will be given an overview of the variety of ways you can manage your students remotely.

NAVIGATING THE CONTROL PANEL
This video is a walk-through of the control panel which explains all of the basic EP functions available from this page on the EP platform.

CREATE CLASS CODES
This video shows you how to add a class of students to your school EP account and get set up for remote teaching and task assignment.

SETTING A TASK ON EP
This video is a simple guide to setting a task for your students to complete on EP.

SMART LESSONS
This video is a walk-through of what the EP Smart Lessons consist of. This will help you get an understanding of what students will be working through in their assigned tasks.

CUSTOMISING THE EP CONTENT LIBRARY
This short video outlines the basic steps required to create custom folders and allow you to curate and edit the EP content to more closely align with your teaching plans.
